

QUALITY POLICY STATEMENT

The prosperity and security of CLOC Limited, together with everyone associated with it, ultimately depends on our ability to provide products and services which meet our customers' requirements.

To achieve this consistently and efficiently, we operate a quality system which meets the requirements of *BS EN ISO 9001:2008*.

It is the policy of the Company to provide products and services that are consistently in accordance with our own standards and our customers' needs.

It is our policy to ensure:

- a) Continual improvement in our Products and Services and the effectiveness of our Quality Management System. We set and regularly review quality objectives and targets to achieve these aims.
- b) Compliance with relevant statutory and regulatory requirements.
- c) Staff awareness of our Customers' requirements and that our staff are trained for the tasks assigned to them.

It is our sincere belief that maintaining the highest standard of quality is the responsibility of every member of staff within the Company.
